

AUSTRALIAN INTERLIBRARY RESOURCE SHARING (ILRS) CODE

Fee Schedule 2026-2027

ILRS code charges are normally increased automatically by CPI each year from 1 July. No increase has been applied for 2026-27 while service types and prices are reviewed.

Service-level standards fees

These recommended prices have been established to provide participants with predictability of budget regarding services provided by other participants of the Australian resource sharing network. Recommended price is optional, and participants must independently determine the appropriate price for their services.

The default supplier turnaround time to a request sent from an automated system is Core turnaround time plus one working day before automatic request expiry occurs.
